SUPPLEMENTARY INFORMATION:

Background

On February 1, 2013, the Department of Commerce (the Department) published in the Federal Register a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on certain frozen warmwater shrimp from Brazil for the period of review (POR) of February 1, 2012, through January 31, 2013.¹ The Department received a timely request from the Ad Hoc Shrimp Trade Action Committee (Domestic Producers) in accordance with 19 CFR 351.213(b), for an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Brazil. On March 29, 2013, the Department

published a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Brazil with respect to two companies.²

The Department stated in its initiation of this review that it intended to rely on U.S. Customs and Border Protection (CBP) data to select respondents.³ However, our review of the CBP database, with respect to the companies for which this review was requested, showed no entries of subject merchandise during the POR.⁴ We released the results of our CBP data query to the Domestic Producers, the only interested party to this segment of the proceeding, and invited them to comment on the CBP data. We received no comments on the CBP data.

On April 4, 2013, we sent a “No Shipments Inquiry” to CBP to confirm that there were no shipments or entries of subject merchandise during the POR from the companies subject to review. We received no information from CBP to contradict the results of our data query.

On April 29, 2013, we stated that because information from CBP indicates that there were no entries of subject merchandise during the POR from the companies covered by this review, we intend to rescind this review.⁵ We invited parties to comment on our intent to rescind this administrative review. We did not receive comments from any interested party.

Rescission of Review

Section 351.213(d)(3) of the Department’s regulations stipulates that the Secretary may rescind an administrative review if there were no entries, exports, or sales of the subject merchandise during the POR. As there were no entries, exports, or sales of the subject merchandise during the POR, we are rescinding this review of the antidumping duty order on certain frozen warmwater shrimp from Brazil pursuant to 19 CFR 351.213(d)(3). We intend to
